

**BIOINFORMATICS 2017 Spring SEMINAR SERIES**

Hosted by: Department of Computer and Information Sciences,  
Department of Electrical and Computer Engineering &  
Center for Bioinformatics and Computational Biology  
<http://bioinformatics.udel.edu/Seminars/Current>

**MONDAY, February 20, 2017**  
**3:30pm**  
**DBI Room 102**

**“A Time to SEE and BE with the New AD”**

***Karen Hooper***

***Assistant Director, Graduate Education & Outreach***  
***Center Bioinformatics & Computational Biology, University of Delaware***

*Students are invited to an informal information gathering session with Dr. Hooper.*

- Please bring your feedback on the level of support you are currently receiving from CBCB.
- What do you like about the program?
- What would you like to change?
- If you are a member of a student organization and would like to share with the group, please contact Dr. Hooper at [khooper@udel.edu](mailto:khooper@udel.edu)

Bring your smiles, because updated pictures will be taken of the students.
